Group Health Cooperative of Eau Claire recently introduced an informative quarterly newsletter. Each issue provides a range of timely articles and helpful hints intended to enhance the relationship we have with our members and providers.

Each newsletter also includes a summary and link to any provider updates that occurred during the last several months. We provide informational articles on the issues that matter to you. For example, a recent newsletter showcased helpful information regarding billing for HealthCheck services and electronic claim submission options. Please see the enclosed newsletter for reference.

We look forward to sending you and your staff the electronic version of this and future newsletters. If you have any questions regarding this new email newsletter, or to get signed up please send an email to [provider.relations@group-health.com](mailto:provider.relations@group-health.com) that includes the names, titles, and email addresses of those you wish to sign up for this service.

If you have any questions or concerns, please contact Provider Relations at (715) 552-4300.
