SECTION 1 - INTRODUCTION

This directory provides a list of Cooperative Advantage’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. Cooperative Advantage considers a PCP any provider who specializes in family practice or internal medicine.

The network providers listed in this directory have agreed to provide you with health services. You may go to any of our network providers listed in this directory.

If an out-of-network provider submits a bill directly to the enrollee, the enrollee should not pay the bill. The enrollee should submit it to Cooperative Advantage for processing and determination of enrollee liability, if any. For assistance, please contact Member Services at (888) 203-7770. TTY users should call (800) 947-3529. Live representatives are available from 8 AM to 8 PM, 7 days a week from October 1 – March 31, and from 8 AM to 8 PM, Monday through Friday from April 1 – September 30. Bills can be submitted to:

Cooperative Advantage – Member Services
2503 N. Hillcrest Parkway
Altoona, WI 54720

In case of emergency, members may use the closest available provider to receive care. If urgent care services are needed when a member is outside of the plan’s service area or no in-network providers area available, members may use any qualified urgent care facility.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Cooperative Advantage will be responsible for the costs.
