

## A New Telehealth Benefit for Members

---

Posted Date: **4/27/2015**

Effective Date: **5/1/2015**

Products: **Group Health Cooperative of Eau Claire, Group Health Cooperative BadgerCare Plus, Group Health Cooperative Medicaid SSI, Compcare BadgerCare Plus, Compcare Medicaid SSI**

Group Health Cooperative of Eau Claire will be introducing a new telehealth service called Teladoc beginning May 1, 2015. This new benefit will be available to all members through Group Health Cooperative and Compcare.

Teladoc is the first and largest telehealth provider in the nation, founded in 2002. This new benefit is being introduced to members as part of a proactive initiative to reduce unnecessary use of the Emergency Room.

Teladoc will evaluate and treat common illnesses such as:

- Cold & Flu Symptoms
- Allergies
- Bronchitis
- Skin Problems
- Sinus Problems

Group Health Cooperative and Compcare members who use the Teladoc service can elect to have a report of their virtual appointment submitted to their primary care physician. All of the doctors in the national Teladoc network are U.S. Board certified family practitioners, primary care providers, pediatricians and internists.
