Hearing Care Solutions is not insurance. The Hearing Care Solution's discount program is separate from the insurance policy and may or may not coordinate with coverage. It is offered at no additional cost and is subject to be changed or discontinued at any time. Exclusions, limitations, and reductions may apply. Additional out-of-pocket costs may apply for hearing aid models not covered by the insurance. Please consult with the provider to understand available hearing aid models covered by the insurance. Out-of-pocket costs may apply for ear molds

<sup>1</sup>Some features may be limited for certain hearing aid models, and additional devices may be required for Bluetooth® functionality and recharging capabilities. <sup>2</sup>The three-year warranty covers repairs, loss, and damage replacement. Manufacturers may charge additional out-of-pocket fees for repairs and replacements. <sup>3</sup>Unlimited follow-up care with the provider is included for one year after the purchase of hearing aids. <sup>4</sup>The battery supply offer guarantees 128 cells per hearing aid over two years, with an initial supply provided at the time of fitting, followed by an additional 60 cells per hearing aid after the trial period. Following the first year after the delivery date, an additional 120 cells per hearing aid will be sent automatically unless an opt-out request is made beforehand. The battery supply offer does not apply to rechargeable hearing aids.
